OFFICER'S REPORT

The property known as 'Bon Accord' is a two storey dwelling, which is one half of a building which has been sub-divided. It is the rear southwest half of the building with the other half set back from and facing onto Les Amballes. There are neighbouring properties in each direction. The property is located in the St Peter Port Main Centre Outer Area as defined in the Island Development Plan. The property and the attached other half of the building are Protected Buildings.

Policies considered most relevant:

GP4: Conservation Areas
GP5: Protected Buildings
GP8: Design
GP9: Sustainable Development
GP13: Householder Development

CN11: Windows and Doors in Protected Buildings.

Conclusion/Brief comment:

This application is to install seven replacement windows with 'like for like' double glazed units.

The windows are considered to be early to mid-20th century replacements. Therefore, the windows are considered to be neutral to the special interest of this protected building.

Conservation Advice Note 11: Windows and Doors in Protected Buildings, allows for the principle of the removal of such windows irrespective of their condition, subject to the material, configuration, method of opening of the replacement windows. In this case the replacement windows are timber with a method of opening that matches the existing with a small tolerance for modern methods of manufacture.

Therefore, it is considered that the application complies with CN11 and GP5 because the negative effect on the overall special interest is outweighed by the reasonable aspirations of the property owner.

Confirmation has been received that the development proposed has been designed to take into account matters of energy efficiency and current Building Regulations in accordance with Policy GP9.

The proposals are considered to conform to the above policies of the Island Development Plan and grant of permission is recommended, subject to conditions.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.
