The application site, known as 'Connemara' fronts onto Longue Rue, with the rear of the property backing onto Rue Du Camp Du Doiut, St. Saviour. The property is situated Outside of the Centres as defined in the Island Development Plan (IDP).

Planning permission was granted in 2020 to erect a flat roof extension and canopy, install a raised decking and patio area and extend and alter an existing sun room to the rear (west) elevation and erect a new wall to the south of the site.

Conclusion/Brief comment:

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

Based on the proposed alterations set out above, the proposal would not fundamentally alter the overall design of the development and would not adversely affect the character of the area, visual amenity, or result in significant harm to the amenities of neighbouring residents.

Sufficient information has been submitted that has taken into account the criteria of Policy GP9 (Sustainable Development).

Based on the above, the application is considered compliant with the relevant Island Development Plan policies; it is therefore recommended that planning permission be granted, subject to conditions.
