

THE LAND PLANNING AND DEVELOPMENT (GUERNSEY) LAW, 2005
AND THE LAND PLANNING AND DEVELOPMENT (GENERAL PROVISIONS)
ORDINANCE, 2007

NOTIFICATION OF GRANT OF PLANNING PERMISSION

PROPOSALS: Replace existing hedge to east boundary.

LOCATION: Belle Rive, 99 Rue Vautier, Fort George, St. Peter Port.

APPLICANT: Mrs V Gilboy

This permission is granted under the terms of Sections 15 and 16 of the Land Planning and Development (Guernsey) Law, 2005 (the 'Law').

Date of Grant of Permission: 10/05/2022

This notification of grant of permission refers solely to the proposals referred to above as described in your application received as valid on 09/03/2022 and the drawings referred to below. This grant of permission is subject to the following conditions:-

Drawing Nos: Site Location Plan and Block Layout Plan (both date stamped received 9th March 2022).

Application Ref: FULL/2022/0689

Property Ref: A41110A099

Conditions and reasons:-

1.All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2.The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development

(Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3. Notwithstanding the information shown on the approved plans, full details of the replacement hedge noting the sizes, numbers and densities of plants shall be submitted to and agreed in writing by the Development & Planning Authority prior to the commencement of works.

Reason - To avoid any ambiguity and in the interests of visual amenity.

4. The landscaping scheme shall be fully completed, in accordance with the details agreed under the terms of the above condition, in the first planting season following the first occupation of any part of the development or completion of development whichever is the sooner, or in accordance with a programme previously agreed in writing by the Authority. Any plants removed, dying, being severely damaged or becoming seriously diseased, within 5 years of planting shall be replaced in the following planting season by trees or plants of a size and species similar to those originally required to be planted.

Reason - To make sure that a satisfactory landscaping scheme for the development is agreed, in order to help assimilate the development into its surroundings.

Expiry Date: This permission will cease to have effect on 09/05/2025 unless development is commenced by that date.

ADVICE AND OTHER REMARKS:-

Your attention is drawn to The Animal Welfare (Guernsey) Ordinance, 2012 and the need to comply with its provisions. The development is located in an area where birds may be nesting and measures may therefore need to be taken (including consideration of the timing of the works) to ensure that any protected species present are not impacted by the works. It is recommended that you contact La Société Guernesiaise for advice or to arrange a site visit. La Société can be contacted on 07781 166924 or email societe@cwgsy.net.

Effect of planning permission:

Section 18 of the Land Planning and Development (Guernsey) Law, 2005 ('the Law') defines the effect of the planning permission hereby granted, namely:

- (1) Planning permission ceases to have effect unless the development permitted by it is commenced within a period of three years immediately following the date on which it is granted (or such shorter period as may be specified in the permission).

(2) Planning permission enures for the benefit of the land concerned and of every person for the time being having an interest in it.

(3) Any conditions subject to which planning permission is issued are enforceable in accordance with the provisions of Part V of the Law.

(4) Planning permission for the erection of a building is only permission to use it for the purpose specified in the permission or, subject to any restriction so specified, for any other purpose for which it is designed.

(5) Planning permission is only permission to carry out the development specified in it (subject to any conditions so specified), and does not imply the giving of any other approval or consent required under this Law or any other enactment or under any rule of law.

Right of appeal against planning decisions:

Your attention is drawn to the provisions of Section 68(1) of the Land Planning and Development (Guernsey) Law 2005, which provides a right of appeal, on the merits against a decision to grant planning permission subject to conditions (except a building condition), to the Planning Tribunal, which is independent of the States of Guernsey. An appeal to the Planning Tribunal under section 68 of the Law against this decision must be made before the expiry of the period of six months beginning with the date on which the Authority made this decision. The official Appeal Notice Forms are available on the States of Guernsey website at www.gov.gg/planningpanel and must be completed with all enclosures in multiples as requested and received within the six months deadline.

Copy of representations made:

In reaching this decision the Authority took into account any written consultations made under Section 11(1) of the Land Planning and Development (General Provisions) Ordinance, 2007 ('the Ordinance'). A copy of any consultation responses made under section 11 will be included with this decision in accordance with section 19 of the Ordinance.

Other Remarks:

Please note that any work which abuts or affects the public highway requires prior approval by Traffic and Highway Services. Please contact Traffic & Highway Services (highways@gov.gg) for further advice. You must also ensure that any access/es to the development are constructed to meet the existing road/footway levels in accordance with their requirements.

This document is not a Building Licence and confers no approval under the Building Regulations.

A separate Building Control Licence may be required and it is the responsibility of the developer to ensure that ALL necessary consents are obtained and that any pre-commencement conditions are discharged prior to development being commenced.

RECOMMENDATION - Grant: Planning Permission with Conditions:

1. All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2. The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3. Notwithstanding the information shown on the approved plans, full details of the replacement hedge noting the sizes, numbers and densities of plants shall be submitted to and agreed in writing by the Development & Planning Authority prior to the commencement of works.

Reason - To avoid any ambiguity and in the interests of visual amenity.

4. The landscaping scheme shall be fully completed, in accordance with the details agreed under the terms of the above condition, in the first planting season following the first occupation of any part of the development or completion of development whichever is the sooner, or in accordance with a programme previously agreed in writing by the Authority. Any plants removed, dying, being severely damaged or becoming seriously diseased, within 5 years of planting shall be replaced in the following planting season by trees or plants of a size and species similar to those originally required to be planted.

Reason - To make sure that a satisfactory landscaping scheme for the development is agreed, in order to help assimilate the development into its surroundings.

INFORMATIVES

Your attention is drawn to The Animal Welfare (Guernsey) Ordinance, 2012 and the need to comply with its provisions. The development is located in an area where birds may be nesting and measures may therefore need to be taken (including consideration of the timing of the works) to ensure that any protected species present are not impacted by the works. OFFICER'S REPORT

Brief Description of the site:

The application relates to a replacement Griselinia hedge to the front of the property.

The site is located Outside of the Centres as designated in the Island Development Plan.

Relevant History:

None germane to this application.

Existing Use(s):

Residential.

Assessment: *(Tick as appropriate)*

no representation
accords with policy
within curtilage
design acceptable

✓
✓
✓
✓

visual amenity acceptable
no material neighbour impact
traffic not affected

✓
✓
✓

Policies considered most relevant:

GP1 Landscape Character and Open Land
GP8 Design
GP13 Householder Development

Conclusion/Brief comment:

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

The application is acceptable in relation to the above policies and other material planning considerations, subject to appropriate conditions as the height and density of plants is unknown.

Recommendation:

Grant with Conditions
