OFFICER'S REPORT

Brief Description of the site:

The property known as 'Hamburg House' is a modern end of a terrace of three properties, it is a two storey dwelling which is set slightly back from and faces south onto Collings Road. The properties have very small rear gardens which face an access road servicing the three properties. The property is located within the St Peter Port Main Centre Outer Area as defined in the Island Development Plan.

Relevant History:

FULL/2015/1806 – Remove existing fence and erect new fence on north rear boundary – Approved September 2015.

Existing Use(s):

Residential use class 1: dwelling house.

Conclusion/Brief comment:

This is a retrospective application to erect a fence 330mm on top of an existing wall, to give each home owner a 2m boundary between the small rear gardens.

Whilst the proposal does not achieve a high standard of architectural design by virtue of installing a fence panel above an existing wall, together with the design and appearance, the development is not considered to result in significant harm to the character of the area, visual amenity, or the amenities of neighbouring residents to refuse the application.

Based on the above, the application is considered compliant with the relevant Island Development Plan policies; it is therefore recommended that planning permission be granted, subject to conditions.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

Recommendation:

Grant with Conditions
