OFFICER'S REPORT

Brief Description of the site:

Planning permission is requested for variations to works previously approved to demolish outbuildings and erect an agricultural barn (FULL/2021/2314). The variations involve alterations to the materials of the roof and wall cladding and it is now proposed to finish the walls and roof with dark green powder coated aluminium profile cladding.

The site comprises of a parcel of agricultural land which has a number of corrugated structures/sheds, hutches and animal enclosures along the south, east and north boundaries which are predominantly used to store agricultural equipment and to house poultry. The site is accessed off Les Prins Lane and is situated to the north-west of the Portinfer Timber Yard. To the south and south-east is a large area of agricultural land, the majority of which is within an Agriculture Priority Area, and it is bounded to the west and north by an area of dense scrub which is designated as a Site of Special Significance. The site is situated Outside of the Centres.

12/04/2022 – FULL/2021/2314 – Permission granted to demolish outbuildings and erect agricultural barn to east of site.

Policy GP1: Landscape Character and Open Land

Policy GP2: Sites of Special Significance

Policy GP8: Design

Policy GP9: Sustainable Development

Conclusion/Brief comment:

The proposed variations to the previously approved plans would reduce the quality of the design of the barn. However, the revised proposal would still achieve a satisfactory standard of design and the proposal is unlikely to have a significant adverse effect on the openness and landscape character of the area, in accordance with Policies GP1 and GP8.

Information has been submitted to demonstrate that the design has taken into account the use of energy and resources, in accordance with Policy GP9.

The alterations to the external materials are unlikely to have any adverse impact on the special interest of the adjacent Site of Special Significance.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

It is recommended that the application is approved.
