Policies considered most relevant:

MC3: Social and Community Facilities in Main Centres and Main Centre Outer Areas

GP4: Conservation Areas

GP8: Design

GP9: Sustainable development

Conclusion/Brief comment:

The existing sheds are of no particular merit to warrant their retention and their removal is supported.

Policy MC3 makes provision for alterations to existing community facilities. The proposed outbuilding and fence would not result in overshadowing or loss of light to the occupiers of surrounding dwellings and will not have a detrimental impact on the character and appearance of the Conservation Area. The scheme therefore accords with the aims of Policies GP4, GP8 and GP9 of the Plan.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

In view of the above it is recommended planning permission is granted for the proposed development.
