OFFICER'S REPORT

Brief Description of the site:

Two storey, mid terrace house accessed via a small clos off Havilland Road. Land levels slope down to the rear meaning that the terrace and gardens are elevated. The existing wall to the garden boundary has a 1.1m high stainless-steel balustrade on top of the rendered wall to the northern side and it is proposed to install a matching balustrade on top of the rendered wall to the southern side in order to enclose the garden fully.

The site is located Outside of the Centres as designated in the Island Development Plan.
