All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

The proposed extension to the rear of the property represents a modest sized addition to the property, is subservient and proportionate to the original dwelling,

Due to its position and design, the proposal will not have a detrimental impact on the character of the area, visual amenity, or the amenities of neighbouring residents.
