OFFICER'S REPORT

Brief Description of the site:

The property known as 'Oceana' is a 1970's one and a half storey dwelling with a large single storey extension to the rear. The dwelling is set back from and faces south onto Route de Carteret. There is a neighbouring property to the west, Clos de Salle runs along the eastern boundary and there is a public footpath and playing fields to the north.

An existing chain-link fence and gate is located to the north of the site which backs onto the Nature Trail which appears to have been installed over a number decades ago due to its condition. The property is located in the Cobo Local Centre as defined in the Island Development Plan.

Planning permission was granted in 2022 to extend the domestic curtilage to the rear of the site. Planning permission is now sought to erect a fence on top of a wall to the south-east boundary and erect a replacement fence to the north of the site.

The application was deferred to clarify the height of the proposed fence. The applicant has confirmed that the total height of the fence at its highest point above ground level will be 5ft (1.5m). The east boundary comprises a low granite wall which tapers down to the north. The fence will be staggered in height along this boundary wall.
