2.The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect

unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3.The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4.No development, excluding demolition and site works, shall begin until a landscaping scheme within the area indicated on approved Dwg. No. 2445-SK-01(A), to include those details specified below, has been submitted to and agreed in writing by the Authority (also see notes below):

- i) the treatment proposed for all ground surfaces, including hard areas;

Any trees or plants removed, dying, being severely damaged or becoming seriously diseased, within 5 years of planting shall be replaced in the following planting season by trees or plants of a size and species similar to those originally required to be planted.

Reason - To make sure that the appearance of the completed development is satisfactory and to help assimilate the development into its surroundings.

6.Details of the concrete tiles to be used in the development shall be submitted to and approved in writing by the Authority prior to their installation. Only those materials agreed in writing by the Authority shall be used in carrying out the development.

Reason - To secure the satisfactory appearance of the completed development.

7. The hereby approved premises shall be used only for staff accommodation, in association with the hotel use on the site, and for no other purpose including any other purpose in Residential Use Class 6 of the Land Planning and Development (Use Classes) Ordinance, 2017, or in any provision equivalent to that Use Class in any Ordinance revoking or re-enacting that Ordinance.

Reason - Permission has been granted on the basis that the use will be limited to that outlined above. Any other use is likely to raise different planning policy considerations.

Expiry Date: This permission will cease to have effect on 18/12/2026 unless development is commenced by that date.

ADVICE AND OTHER REMARKS:-

1. With regards to condition 4, the landscaping scheme should seek to maintain and reinforce planting to the north-east of the staff accommodation block and along the section of the north boundary adjacent with the staff accommodation block (see red hatched area on plan 2445-SK-01A) in order to break up the outline of the staff accommodation block when viewed from Route de Jerbourg. It is recommended that additional planting includes Blackthorn (*Prunus spinose*), Elder (*Sambucus nigra*), Hawthorn (*Crataegus monogyna*) and Gorse.
