OFFICER'S REPORT

Brief Description of the site:

This application is to use La Bailloterie camp site, Vaugrat Campsite and Rue Mainguy Scout HQ site for a number of Guernsey Camping Club events.

Similar events have been run for several years at the La Bailloterie & Vaugrat camp sites and more recently the Rue Mainguy Scout HQ, subject to dates being specified in advance.

This year a number of dates have been specified, using preferred sites at La Bailloterie, Vaugrat and Rue Mainguy Scout HQ generally between May and September.

The application letter states that if for any reason one of the preferred sites is not available, then an alternative campsite would be approached. Provided that the Authority is approached in advance with details it should be possible to agree this as a minor amendment to any permission granted.

Relevant History:

Similar applications have been granted on multiple occasions previously, most recently in January 2023 under reference FULL/2023/0111.

Existing Use(s):

Conclusion/Brief comment:

The application proposes a number of periods between May and September on which The Guernsey Camping Club wish to hold club events.

The proposed application comprises approximately 35 nights over 3 campsites.

3rd May to 12th May at La Bailloterie – estimated 40 units
24th May to 28th May at La Bailloterie – estimated 50 units
3rd July to 9th July at La Bailloterie – estimated 50 units
24th August to 1st Sept at Rue Mainguy – estimated 20 units
31st August to 8th Sept at Vaugrat – estimated 20 units

The proposed periods are similar in date and number to previous years, and therefore it is not considered that this application would result in a greater effect on the amenity of neighbouring properties than has been approved in previous years and therefore is considered to be acceptable.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.
