OFFICER'S REPORT

Conclusion/Brief comment:

The proposed development involves the demolition of the existing render boundary wall to widen the vehicle access to the south (roadside) elevation.

The neighbouring property, Le Meme, has an open frontage and immediately opposite the site is a small block of garages set behind a wide green verge and open parking area. In contrast, the dwellings to the east of the application site have enclosed front gardens and are opposite the enclosed rear gardens.

The site is not located in a Conservation Area and the boundary wall is not historic, and so the IDP affords flexibility in design for less sensitive areas. The proposal is therefore considered acceptable in this location, outside of any Conservation area, and will not have a harmful impact on character, in accordance with GP1.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.
