OFFICER'S REPORT

Brief Description of the site:

The application relates to the change of use of the existing estate agent office (Use Class 15) for general retail (Use Class 10).

The site is located in the Main Centre Inner Boundary, Conservation Area and also within the Regeneration Area as designated in the Island Development Plan.

Policies considered most relevant:

GP4: Conservation Areas
GP8: Design
GP9: Sustainable development
MC4(A): Office Development in Main Centres
MC6: Retail in Main Centres

Conclusion/Brief comment:

The change of use is supported by Policy MC4(A) as the office unit is less than 250m² and due to its age is considered to provide an unsatisfactory standard of accommodation which cannot be easily refurbished to modern standards. The general retail use of the unit is supported by MC6 and the development would not prejudice any redevelopment of the regeneration area.

The proposal is not expected to have any impact on the special character of the Conservation Area as the changes are internal only and regarding the use of the building.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land and Planning (General Provisions) Ordinance 2007 have been taken into account in the assessment of this application.

The application is acceptable in relation to the above policies and other material planning considerations.
