INFORMATIVES

The Authority does not recognise all of the land outlined on the submitted plans as forming the domestic curtilage associated with the dwelling presently known as La Roda Farm.

OFFICER'S REPORT

Brief Description of the site:

Planning permission is requested for the change of use of part of a domestic outbuilding to the south (rear) of the dwelling to use for pottery workshop/classes (Residential use class 5). The applicant advises that classes would operate a maximum of 42 half-days a year with a maximum number of 6 participants at any one time.

The property comprises two separate dwellings set adjacent to Rue De L'Eglise; a traditional two storey farmhouse known as La Roda Farm and an attached barn conversion known as La Roda Cottage, with associated outbuildings to the rear (south). The building group is located on a 9 Vergee (4 acre) land parcel, however the domestic curtilage is limited to the area surrounding the building group, extending to the south-eastern edge of the driveway serving the main dwelling and 5m to the south-west of an outbuilding.

The site is located within an Agriculture Priority Area and is Outside of the Centres.

Relevant History:

30/05/2024 – PREA/2024/0877 – Pre-application enquiry regarding the change of use of outbuilding to provide pottery classes.

26/11/2019 – FULL/2019/2085 – Permission granted to erect detached garage/store to south of property.

Policies considered most relevant:

Conclusion/Brief comment:

Policy GP14 supports the use of part of a dwelling for the purpose of a business carried out by an occupier of the dwelling provided that the principal use of the site remains in residential use and the proposed business use does not lead to any unacceptable detrimental impacts on the amenity of the area or the amenities of nearby residents.

Due to the nature of the proposed use including the modest number of people on the site at any one time and the infrequent nature of the use, the proposed use of part of the outbuilding for occasional pottery classes is unlikely to adversely affect the amenities of nearby residents. The proposal accords with Policy GP14.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.

It is recommended that the application is approved.
