

THE LAND PLANNING AND DEVELOPMENT (GUERNSEY) LAW, 2005
AND THE LAND PLANNING AND DEVELOPMENT (GENERAL PROVISIONS)
ORDINANCE, 2007

NOTIFICATION OF GRANT OF PLANNING PERMISSION

PROPOSALS: Install replacement roof to west (rear) extension, alteration to fenestration and raised decking to south elevation and internal alterations (Protected Building).

LOCATION: Le Mont Saint, Le Mont Saint, St. Saviour.

APPLICANT: Mr B Banfield

This permission is granted under the terms of Sections 15 and 16 of the Land Planning and Development (Guernsey) Law, 2005 (the 'Law').

Date of Grant of Permission: 24/07/2025

This notification of grant of permission refers solely to the proposals referred to above as described in your application received as valid on 09/06/2025 and the drawings referred to below. This grant of permission is subject to the following conditions:-

Drawing Nos: Ground Floor Plan, West and South Elevations (date stamped 09/06/25), Block Layout Plan, Photograph of doors and Luxioso Ground Floor Plan.
Dorey, Lyle & Ashman - Part Section A-A and Part Plan.

Application Ref: FULL/2025/0740

Property Ref: E00520C000

Conditions and reasons:-

1.All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2.The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3.The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4.Prior to the removal of the existing, a large scale drawing (1:20 elevations) of all new and replacement doors shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

5.Prior to installation, a specification of the proposed guttering and related supports shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

6.Prior to their insertion, the external appearance of all new vents and extractors shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

7.All new and replacement leadwork shall be installed in accordance with Lead Sheet Association instructions.

Reason - To preserve the special quality and appearance of this Protected Building.

8.Notwithstanding the details submitted, the stone jamb forming the existing aga surround shall be reinstated at the end of the reduced surround.

Reason - To preserve the special quality and appearance of this Protected Building.

Expiry Date: This permission will cease to have effect on 23/07/2028 unless development is commenced by that date.

ADVICE AND OTHER REMARKS:-

Effect of planning permission:

Section 18 of the Land Planning and Development (Guernsey) Law, 2005 ('the Law') defines the effect of the planning permission hereby granted, namely:

- (1) Planning permission ceases to have effect unless the development permitted by it is commenced within a period of three years immediately following the date on which it is granted (or such shorter period as may be specified in the permission).
- (2) Planning permission enures for the benefit of the land concerned and of every person for the time being having an interest in it.
- (3) Any conditions subject to which planning permission is issued are enforceable in accordance with the provisions of Part V of the Law.
- (4) Planning permission for the erection of a building is only permission to use it for the purpose specified in the permission or, subject to any restriction so specified, for any other purpose for which it is designed.
- (5) Planning permission is only permission to carry out the development specified in it (subject to any conditions so specified), and does not imply the giving of any other approval or consent required under this Law or any other enactment or under any rule of law.

Right of appeal against planning decisions:

Your attention is drawn to the provisions of Section 68(1) of the Land Planning and Development (Guernsey) Law 2005, which provides a right of appeal, on the merits against a decision to grant planning permission subject to conditions (except a building condition), to the Planning Tribunal, which is independent of the States of Guernsey. An appeal to the Planning Tribunal under section 68 of the Law against this decision must be made before the expiry of the period of six months beginning with the date on which the Authority made this decision. The official Appeal Notice Forms are available on the States of Guernsey website at www.gov.gg/planningpanel and must be completed with all enclosures in multiples as requested and received within the six months deadline.

Copy of representations made:

In reaching this decision the Authority took into account any written consultations made under Section 11(1) of the Land Planning and Development (General Provisions) Ordinance, 2007 ('the Ordinance'). A copy of any consultation responses made under section 11 will be included with this decision in accordance with section 19 of the Ordinance.

Other Remarks:

Please note that any work which abuts or affects the public highway requires prior approval by Traffic and Highway Services. Please contact Traffic & Highway Services (highways@gov.gg) for further advice. You must also ensure that any access/es to the development are constructed to meet the existing road/footway levels in accordance with their requirements.

This document is not a Building Licence and confers no approval under the Building Regulations.

A separate Building Control Licence may be required and it is the responsibility of the developer to ensure that ALL necessary consents are obtained and that any pre-commencement conditions are discharged prior to development being commenced.

Application No: FULL/2025/0740
Property Ref: E00520C000
Valid date: 09/06/2025
Location: Le Mont Saint Le Mont Saint St. Saviour Guernsey GY7 9XR
Proposal: Install replacement roof to west (rear) extension, alteration to fenestration and raised decking to south elevation and internal alterations (Protected Building).

Applicant: Mr B Banfield

RECOMMENDATION - Grant: Planning Permission with Conditions:

1. All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2. The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3. The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4. Prior to the removal of the existing, a large scale drawing (1:20 elevations) of all new and replacement doors shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

5. Prior to installation, a specification of the proposed guttering and related supports shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

6. Prior to their insertion, the external appearance of all new vents and extractors shall be submitted to and agreed in writing by the Authority. The development shall then be carried out only in accordance with the agreed details.

Reason - To preserve the special quality and appearance of this Protected Building.

7. All new and replacement leadwork shall be installed in accordance with Lead Sheet Association instructions.

Reason - To preserve the special quality and appearance of this Protected Building.

8. Notwithstanding the details submitted, the stone jamb forming the existing aga surround shall be reinstated at the end of the reduced surround.

Reason - To preserve the special quality and appearance of this Protected Building.

OFFICER'S REPORT

Brief Description of the site:

Planning permission is requested to install replacement Alkor roof to west (rear) extension, alter window to doors, replace doors and alterations to raised decking to south elevation and internal alterations.

The whole of Le Mont Saint, with the exception of the extension to the west, is a protected building. It is part of a wider listing which includes the house and converted barn attached to the north and a house attached to the east along with a detached outbuilding to the west and the roadside wall.

Le Mont Saint is within the St Apolline Conservation Area, an Agriculture Priority Area and is Outside of the Centres.

Relevant History:

13/02/2025 – PREA/2025/0041 – Pre-application enquiry regarding re-roofing and alterations to fenestration.

31/08/2021 – FULL/2020/2355 – Permission granted to replace roof covering, install dormer windows and rooflight on north (front) elevation, install rooflights and solar panels on south (rear) elevation, replace existing glazed structure to lean-to entrance, install replacement doors and window and internal alterations (protected building).

Existing Use(s):

Residential use class 1: dwelling house

Assessment: *(Tick as appropriate)*

Policies considered most relevant:

Policy GP4: Conservation Areas

Policy GP5: Protected Buildings

Policy GP8: Design

Policy GP9: Sustainable Development

Policy GP13: Householder Development

Conclusion/Brief comment:

The proposed alterations are considered to be a reasonable aspiration that outweighs the harm to the special interest of the protected building, in accordance with Policy GP5.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.

It is recommended that the application is approved.
