

THE LAND PLANNING AND DEVELOPMENT (GUERNSEY) LAW, 2005
AND THE LAND PLANNING AND DEVELOPMENT (GENERAL PROVISIONS)
ORDINANCE, 2007

NOTIFICATION OF GRANT OF PLANNING PERMISSION

PROPOSALS: Erect single storey extension, install rooflights to east (rear) elevation, install rooflight to west (front) elevation, install first floor gable window to north (side) elevation, fenestration and internal alterations. Create a new pedestrian gated access to north boundary (Protected Building).

LOCATION: Les Blanches, La Route De Blanches, St. Martin.

APPLICANT: Mr & Mrs C Ash

This permission is granted under the terms of Sections 15 and 16 of the Land Planning and Development (Guernsey) Law, 2005 (the 'Law').

Date of Grant of Permission: 12/08/2025

This notification of grant of permission refers solely to the proposals referred to above as described in your application received as valid on 01/07/2025 and the drawings referred to below. This grant of permission is subject to the following conditions:-

Drawing Nos: Studio Architecture + design: 016/CD01, CD02, CD03, CD04

Application Ref: FULL/2025/1026

Property Ref: J017530000

Conditions and reasons:-

1.All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2.The development hereby permitted shall be begun within 3 years from the date of grant of this permission.Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3.The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4.The existing roof tiles shall be set aside during the construction works and the existing tiles used where possible for the replacement roof hereby approved. Where it is not possible to reuse the tiles that have been removed or where replacement tiles are required, a sample tile should be submitted to and approved in writing for use by the Authority before any new tiles are brought to site or used in the development. Only materials agreed in writing by the Authority shall be used in carrying out the development.

Reason - To secure the satisfactory appearance of the completed development in order to preserve the character, appearance and special interest of the Protected Building.

5.No metal cladding to be used on the exterior of the extension hereby approved shall be placed on the site until such time as samples of that cladding have been submitted to the Authority. Only materials agreed in writing by the Authority shall be used in carrying out the development.

Reason - In order to preserve the setting and special interest of the Protected Building.

6.Prior to the commencement of any work in connection therewith, joinery and construction details (1:20 elevations and 1:5 sections) of the windows and doors in the snug, hallway and bedroom/study have been submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed features. This condition is imposed to make sure that the works do not detract from the special interest of the Protected Building.

7.The stone to be used in the construction of the new works to raise the ridge of the northern end of Les Blanches shall match as closely as possible the type, colour, texture, method of bonding and pointing of the existing stone.

Reason - To preserve the character and appearance of the locality and the special interest of the Protected Building.

8.Prior to the commencement of any work in connection therewith, details of the new areas of hardstanding (incorporating permeable paving) have been submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed feature. This condition is imposed to make sure that the works undertaken respect the setting of the Protected Building and provide a sustainable form of development.

9.Prior to the commencement of any work in connection therewith details of the extent and method of re-pointing of the existing stone shall be submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed works. This condition is imposed to make sure that the works preserve the special interest of the Protected Building and does not have any adverse impact on the character of the area.

10.The roof lights hereby approved shall be installed to be flush fitting with the roof plane.

Reason - For the avoidance of doubt and to preserve the character and appearance of the locality and special interest of the Protected Building.

Expiry Date: This permission will cease to have effect on 11/08/2028 unless development is commenced by that date.

ADVICE AND OTHER REMARKS:-

For the avoidance of doubt, this decision permits the snug, hall, bedroom and bedroom/study to the northern end of the building to be used as an integral part of and incidental to the principal dwelling presently known as Les Blanchés. It does not permit the creation of a separately occupied annex or an independent dwelling. This would require a separate grant of planning permission and involve different planning policy considerations.

Effect of planning permission:

Section 18 of the Land Planning and Development (Guernsey) Law, 2005 ('the Law') defines the effect of the planning permission hereby granted, namely:

- (1) Planning permission ceases to have effect unless the development permitted by it is commenced within a period of three years immediately following the date on which it is granted (or such shorter period as may be specified in the permission).
- (2) Planning permission enures for the benefit of the land concerned and of every person for the time being having an interest in it.
- (3) Any conditions subject to which planning permission is issued are enforceable in accordance with the provisions of Part V of the Law.
- (4) Planning permission for the erection of a building is only permission to use it for the purpose specified in the permission or, subject to any restriction so specified, for any other purpose for which it is designed.
- (5) Planning permission is only permission to carry out the development specified in it (subject to any conditions so specified), and does not imply the giving of any other approval or consent required under this Law or any other enactment or under any rule of law.

Right of appeal against planning decisions:

Your attention is drawn to the provisions of Section 68(1) of the Land Planning and Development (Guernsey) Law 2005, which provides a right of appeal, on the merits against a decision to grant planning permission subject to conditions (except a building condition), to the Planning Tribunal, which is independent of the States of Guernsey. An appeal to the Planning Tribunal under section 68 of the Law against this decision must be made before the expiry of the period of six months beginning with the date on which the Authority made this decision. The official Appeal Notice Forms are available on the States of Guernsey website at www.gov.gg/planningpanel and must be completed with all enclosures in multiples as requested and received within the six months deadline.

Copy of representations made:

In reaching this decision the Authority took into account any written consultations made under Section 11(1) of the Land Planning and Development (General Provisions) Ordinance, 2007 ('the Ordinance'). A copy of any consultation responses made under section 11 will be included with this decision in accordance with section 19 of the Ordinance.

Other Remarks:

Please note that any work which abuts or affects the public highway requires prior approval by Traffic and Highway Services. Please contact Traffic & Highway Services (highways@gov.gg) for further advice. You must also ensure that any access/es to the development are constructed to meet the existing road/footway levels in accordance with their requirements.

This document is not a Building Licence and confers no approval under the Building Regulations.

A separate Building Control Licence may be required and it is the responsibility of the developer to ensure that ALL necessary consents are obtained and that any pre-commencement conditions are discharged prior to development being commenced.

RECOMMENDATION - Grant: Planning Permission with Conditions:

1. All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2. The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3. The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4. The existing roof tiles shall be set aside during the construction works and the existing tiles used where possible for the replacement roof hereby approved. Where it is not possible to reuse the tiles that have been removed or where replacement tiles are required, a sample tile should be submitted to and approved in writing for use by the Authority before any new tiles are brought to site or used in the development. Only materials agreed in writing by the Authority shall be used in carrying out the development.

Reason - To secure the satisfactory appearance of the completed development in order to preserve the character, appearance and special interest of the Protected Building.

5. No metal cladding to be used on the exterior of the extension hereby approved shall be placed on the site until such time as samples of that cladding have been submitted to the Authority. Only materials agreed in writing by the Authority shall be used in carrying out the development.

Reason - In order to preserve the setting and special interest of the Protected Building.

6. Prior to the commencement of any work in connection therewith, joinery and construction details (1:20 elevations and 1:5 sections) of the windows and doors in the snug, hallway and bedroom/study have been submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed features. This condition is imposed to make sure that the works do not detract from the special interest of the Protected Building.

7. The stone to be used in the construction of the new works to raise the ridge of the northern end of Les Blanches shall match as closely as possible the type, colour, texture, method of bonding and pointing of the existing stone.

Reason - To preserve the character and appearance of the locality and the special interest of the Protected Building.

8. Prior to the commencement of any work in connection therewith, details of the new areas of hardstanding (incorporating permeable paving) have been submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed feature. This condition is imposed to make sure that the works undertaken respect the setting of the Protected Building and provide a sustainable form of development.

9. Prior to the commencement of any work in connection therewith details of the extent and method of re-pointing of the existing stone shall be submitted to and agreed in writing by the Authority. The development shall be carried out only in accordance with the agreed details.

Reason - The information provided with the application does not include full details of the proposed works. This condition is imposed to make sure that the works preserve the special interest of the Protected Building and does not have any adverse impact on the character of the area.

10. The roof lights hereby approved shall be installed to be flush fitting with the roof plane.

Reason - For the avoidance of doubt and to preserve the character and appearance of the locality and special interest of the Protected Building.

INFORMATIVES

For the avoidance of doubt, this decision permits the snug, hall, bedroom and bedroom/study to the northern end of the building to be used as an integral part of and incidental to the principal dwelling presently known as Les Blanchés. It does not permit the creation of a separately occupied annex or an independent dwelling. This would require a separate grant of planning permission and involve different planning policy considerations.

OFFICER'S REPORT

Brief Description of the site:

Les Blanchés, La Route des Blanchés is a detached, two-storey dwelling with accommodation in the roofspace. The property has a turret and glazed link extension to the rear. To the side is a subservient extension proposed to serve as a snug, entrance hall with staircase WC/utility at ground floor and with two bedrooms and a shower room above.

The application relates to the erection of a single-storey pitched roof extension to the rear of the subservient side extension to house a kitchen and dining room. Rooflights and a gable window are proposed in the side extension to serve the proposed first floor accommodation in the roofspace. Replacement windows are proposed to the extension to the west along with replacement rainwater goods. Excavation works are proposed around the site for access to the subservient extension to the west and the granite wall to the north boundary is to be increased in height in connection with the proposed extension and a new gated pedestrian access formed.

The site is located Outside of the Centres as designated in the Island Development Plan. Les Blanches is a Protected Building.

Relevant History:

FULL/2022/0364 - Erect single storey extension, install rooflights to east (rear) elevation, install rooflight to west (front) elevation, install 1st floor gable window to north (side) elevation, fenestration and internal alterations. Create new pedestrian gated access to north boundary. (Protected Building) – granted.

FULL/2017/2802 - Repair and re-slate roof, demolish and rebuild two chimney stacks, lead the parapet walls, replace guttering, install four rooflights (east elevation), replacement windows (rear and side elevations) and dormers, and internal alterations. (Protected Building) - granted

GP13: Householder Development

Conclusion/Brief comment:

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.

The application seeks renewal of planning permission FULL/2022/0364. There has been no change in planning policy or other material change in circumstances to warrant a different decision. It is considered reasonable to reapply the conditions attached to the former permission FULL/2022/0364 in the interests of preserving the special interest of the protected building.

The application is acceptable in relation to the above policies and other material planning considerations.
