- GP13: Householder Development

Conclusion/Brief comment:

The application is acceptable in relation to the above policies and other material planning considerations.

The proposed signage replaces the previous sign (Queen Road Medical Practice) which was of a similar size. Although the proposed sign is different in appearance (eg colours) this has a negligible negative effect when compared to the QRMP sign.

Given the above it is considered that the proposed sign will not negatively affect the Conservation Area, or the setting of protected buildings within the vicinity, or the amenity of nearby by neighbours.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.
