

THE LAND PLANNING AND DEVELOPMENT (GUERNSEY) LAW, 2005
AND THE LAND PLANNING AND DEVELOPMENT (GENERAL PROVISIONS)
ORDINANCE, 2007

NOTIFICATION OF GRANT OF PLANNING PERMISSION

PROPOSALS: Erect single storey garage/carport to west of property (Protected Building).

LOCATION: Les Prevosts Farm, Les Prevosts Road, St. Saviour.

APPLICANT: Mr B Scott & Miss E Gray

This permission is granted under the terms of Sections 15 and 16 of the Land Planning and Development (Guernsey) Law, 2005 (the 'Law').

Date of Grant of Permission: 13/01/2026

This notification of grant of permission refers solely to the proposals referred to above as described in your application received as valid on 11/12/2025 and the drawings referred to below. This grant of permission is subject to the following conditions:-

Drawing Nos: Steve De Vial & Company Ltd - 2023-804-3A Rev A, Site Location Plan & Block Layout Plan
Crossframes Ltd - Elevations

Application Ref: FULL/2025/1934

Property Ref: E003950000

Conditions and reasons:-

1.All development authorised by this permission must be carried out and must be completed in every detail in accordance with the written application, plans and drawings referred to above. No variations to such development amounting to development may be made without the permission of the Authority under the Law.

Reason - To ensure that it is clear that permission is only granted for the development to which the application relates.

2.The development hereby permitted shall be begun within 3 years from the date of grant of this permission.

Reason - This condition reflects section 18(1) of the Land Planning and Development (Guernsey) Law, 2005 which states that planning permission ceases to have effect unless development is commenced within 3 years of the date of grant (or such shorter period as may be specified in the permission).

3.The development hereby permitted and all the operations which constitute or are incidental to that development must be carried out in compliance with all such requirements of The Building (Guernsey) Regulations, 2012 as are applicable to them, and no operation to which such a requirement applies may be commenced or continued unless (i) plans relating to that operation have been approved by the Authority and (ii) it is commenced or, as the case may be, continued, in accordance with that requirement and any further requirements imposed by the Authority when approving those plans, for the purpose of securing that the building regulations are complied with.

Reason - Any planning permission granted under the Law is subject to this condition as stated in section 17(2) of the Land Planning and Development (Guernsey) Law, 2005.

4.No development, including site works, shall begin on site until the trees to the west of the garage have been protected, in a manner previously agreed in writing by the Authority. Each tree shall be protected in the agreed manner for the duration of building operations on the application site. Within the areas agreed to be protected, the existing ground level shall be neither raised nor lowered, and no materials or temporary building or surplus soil of any kind shall be placed or stored thereon.

Reason - The trees are important features in the area and this condition is imposed to make sure that they are properly protected while building works take place on the site.

Expiry Date: This permission will cease to have effect on 12/01/2029 unless development is commenced by that date.

ADVICE AND OTHER REMARKS:-

For the avoidance of doubt, this decision permits the proposed garage/carport to be used only for purposes incidental to the enjoyment of the dwelling house, unless in accordance with a use permitted under the Land Planning and Development (Exemptions) Ordinance, 2023 or any other Ordinance replacing or re-enacting that Ordinance.

The application site is located within an area of known archaeological importance and your attention is drawn to the provisions of the Island Development Plan, Annex VIII on Archaeological Assessment. It is desirable that access be granted to the States Archaeologist, Culture & Heritage Service,

and that you contact them to gain advice or make arrangements for archaeological recording should anything of interest be uncovered during any earth moving on the site. The Archaeology team can be contacted on 01481 220729 or 01481 220722, or mobiles 07781 102219 or 07911 721210.

Effect of planning permission:

Section 18 of the Land Planning and Development (Guernsey) Law, 2005 ('the Law') defines the effect of the planning permission hereby granted, namely:

- (1) Planning permission ceases to have effect unless the development permitted by it is commenced within a period of three years immediately following the date on which it is granted (or such shorter period as may be specified in the permission).
- (2) Planning permission enures for the benefit of the land concerned and of every person for the time being having an interest in it.
- (3) Any conditions subject to which planning permission is issued are enforceable in accordance with the provisions of Part V of the Law.
- (4) Planning permission for the erection of a building is only permission to use it for the purpose specified in the permission or, subject to any restriction so specified, for any other purpose for which it is designed.
- (5) Planning permission is only permission to carry out the development specified in it (subject to any conditions so specified), and does not imply the giving of any other approval or consent required under this Law or any other enactment or under any rule of law.

Right of appeal against planning decisions:

Your attention is drawn to the provisions of Section 68(1) of the Land Planning and Development (Guernsey) Law 2005, which provides a right of appeal, on the merits against a decision to grant planning permission subject to conditions (except a building condition), to the Planning Tribunal, which is independent of the States of Guernsey. An appeal to the Planning Tribunal under section 68 of the Law against this decision must be made before the expiry of the period of six months beginning with the date on which the Authority made this decision. The official Appeal Notice Forms are available on the States of Guernsey website at www.gov.gg/planningpanel and must be completed with all enclosures in multiples as requested and received within the six months deadline.

Copy of representations made:

In reaching this decision the Authority took into account any written consultations made under Section 11(1) of the Land Planning and Development (General Provisions) Ordinance, 2007 ('the Ordinance'). A copy of any consultation responses made under section 11 will be included with this decision in accordance with section 19 of the Ordinance.

Other Remarks:

Please note that any work which abuts or affects the public highway requires prior approval by Traffic and Highway Services. Please contact Traffic & Highway Services (highways@gov.gg) for further advice. You must also ensure that any access/es to the development are constructed to meet the existing road/footway levels in accordance with their requirements.

This document is not a Building Licence and confers no approval under the Building Regulations.

A separate Building Control Licence may be required and it is the responsibility of the developer to ensure that ALL necessary consents are obtained and that any pre-commencement conditions are discharged prior to development being commenced.

OFFICER'S REPORT

Brief Description of the site:

Planning permission is requested to erect a single storey triple garage/carport to the west of the dwelling. The garage/car port would be finished with timber cladding and a slate roof.

Les Prevosts Farm is a detached dwelling situated to the north of Les Prevosts Road. A detached garage exists to the north-east of the dwelling. Vehicular access is provided to both the east and west of the dwelling. The application site is located Outside of the Centres, within a Conservation Area and Agriculture Priority Area as designated in the Island Development Plan. Les Prevosts Farm itself is a Protected Building.

Relevant History:

24/11/2022 – FULL/2022/1976 – Permission granted to erect 1½ storey detached garage/store with external staircase to west of property (Protected Building).

14/11/2022 – CLU/2022/1991 – Certificate of Lawful Use granted to regularise use of the whole of the land parcel as domestic garden (14,215 sqm) (Residential Use Class 1).

Existing Use(s):

Residential use class 1: dwelling house

Consultations:

States Archaeologist, 19/12/2025

“The location is within a couple of hundred metres of the Iron Age site at Les Tranquesous, and although it is likely that later development may have destroyed any archaeology of that period, I would be grateful if the developers could contact us if anything of interest is uncovered. I would also note that historic mapping and air photographs indicate that the main dwelling previously extended further to the west, and thus it is possible that the proposed garage will uncover some traces of the earlier farmhouse. If this is uncovered it would be useful to record it before the garage is constructed”.

Conclusion/Brief comment:

Planning permission was granted for a 1½ storey triple garage in November 2022 (FULL/2022/1976), a minor amendment to omit the first floor was subsequently approved in November 2024.

The permission has since expired without the works commencing. Planning permission is now sought for a single storey garage/car port which is similar to the previously approved amended scheme.

The design and appearance of the garage is considered appropriate in this rural location, the development as proposed respects both the built environment and open landscape concerned. The building is detached from but adjacent to a protected building but will not have an unacceptable impact on the setting of this building given that it is set back from the front façade of the building and will be seen as subservient and ancillary to it.

The stated use of the proposed garage/car port is for purposes ancillary to the dwelling and is not intended for any trade or business. The proposed use accords with Policy GP13 as an ancillary domestic outbuilding.

There are a number of trees to the west of the proposed garage/car port which are in close proximity to and partially overhanging the building. In order to provide protection to the largest tree to the north-west of the garage/car port which is a feature in the street and Conservation Area it is appropriate to impose a condition relating to root protection areas.

To address the comments raised by the States Archaeologist regarding the potential for archaeological remains including traces of the earlier farmhouse, it is recommended that a note is attached to the decision to request that access is granted for recording should anything of interest be uncovered during construction.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.

It is recommended that the application is approved.
