### Conclusion/Brief comment:

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.

Although the shed has been reoriented from that it is replacing it remains sited to the rear of the car park away from the main road of Rue Du Presbytere. The shed will not have any further impact on visual amenity or the character and appearance of the conservation area. The shed is of a similar size to that it replaces and there will be no further impact on neighbour amenity.
