OFFICER'S REPORT

Brief Description of the site:

The property known as 'Kenilworth' is a large detached one and a half storey dwelling which is set back from and faces northwest onto Colborne Road, there are neighbouring detached properties to the northeast and southwest and the rear garden rises steeply to the southeast with Clos de Colborne running along the northern boundary. The property is located Outside of the Centres as defined in the Island Development Plan.

Conclusion/Brief comment:

This application is to demolish the rear conservatory, erect a two storey flat roof extension with balcony at first floor level in its place, alter the existing rear dormer,

and extend the patio area to the south. Finally erect a porch with first floor balcony to the front north elevation and some alterations to the fenestration of the dwelling.

Due to the steep rear garden the impact of the two storey flat roof is less conspicuous from public vantage points than if it was a level site. The proposed rear balcony is showing a 1.8m high privacy screen on the northeast balustrade to prevent any overlooking into the neighbours garden.

The works to the front porch are considered appropriate and acceptable.

The proposals are considered to achieve a good standard of design, using materials which complement the existing materials. The extension and altered dormer will provide adequate levels of sunshine and daylight, and give the occupiers more flexible and adaptable accommodation.

The scale and massing of the new extension and altered dormer are not considered to have a detrimental effect on the character and amenity of the surrounding area, nor will they have any impact on either of the immediate neighbours.

Confirmation has been received that the development proposed has been designed to take into account matters of energy efficiency and current Building Regulations in accordance with Policy GP9.

The proposals are considered to conform to the above policies of the Island Development Plan and grant of permission is recommended, subject to conditions.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.
