Conclusion/Brief comment:

The submission outlines that the building will be used for the storage of agricultural equipment, machinery and tools. The coastal conditions are such that internal storage is fairly imperative and that the applicant owns this and another parcel of agricultural land nearby.

Under permission FULL/2022/1766 a second building on the agricultural land is indicated to be removed which was a requirement of that permission.

The application is acceptable in relation to the above policies and other material planning considerations.
