OFFICER'S REPORT

The Longstore House building is situated on the corner of Le Bouet and St George's Esplanade. There is on-street parking to the front/east and parking across the road to the north in Le Bouet. The building is three storeys in height and has been broken down into several different elements with a mixture of elevational treatments (render and stone-work). Shop display windows exist in the St George's Esplanade façade at ground floor level whilst the shop entrance is from Le Bouet. There are a variety of uses in the vicinity of the application site including retail and residential uses. The site is in a Main Centre Outer Area and Conservation Area as designated in the Island Development Plan.

Conclusion/Brief comment:

This application is to install two signs and vinyl signage to the windows on the east front elevation of the building.

Policy MC7 states that proposals to extend, alter or redevelop existing convenience retail premises, will be supported where they accord with all the relevant policies of the Island Development Plan.

The two signs are to be located either side of the existing windows, the southern one will be a 1.5m x 1.5m non-illuminated Domino's logo, and the northern one will be a 1.75m x 0.73m Coop logo with some smaller text below, also non-illuminated. The windows will have internal vinyl applied.

On balance the signs are not considered to be too large, and they balance the front façade and are considered to be appropriate and acceptable. The proposal achieves an acceptable standard of design in terms of the size, position, materials and appearance of the signage and would conserve the character and appearance of the Conservation Area, in accordance with Policies GP4 and GP8.

Neighbour amenity will not be adversely affected.

The proposals are considered to conform to the above policies of the Island Development Plan and grant of permission is recommended, subject to conditions.

All material considerations as set out in the Land Planning and Development (Guernsey) Law, 2005 and the Land Planning and Development (General Provisions) Ordinance, 2007 have been taken into account in the assessment of this application.
